

CAMP SESSION FOR YOUR - 2020

Due to the coronavirus, the Camp Board made the difficult decision to cancel our July Camp Sessions for youth in 2020.

We will use this time without campers to work on maintenance projects to improve their experiences for 2021.

The Camp Board is following the guidelines of the Minnesota Department of Health: In-person social gatherings with people from multiple households does not comply with social distancing practices and introduces a great deal of contact unpredictability and increases the potential for disease transmission.

Donna Perryman

Camp Fa Ho Cha Board Secretary
